

Agrumax™ Indications and Instructions

Important: Agrumax is a concentrated product and should always be mixed in water or juice. See dosage suggestions below.

Agrumax's all-natural active ingredients are citrus extracts from lemon, orange, tangerine and grapefruit. The main active agents contained in citrus extracts are: limonene, coumarins, flavonoids, vitamin A, vitamin B, vitamin B1, vitamin B2, vitamin C, and mucilages.

Directions for Specific Uses:

Candida Albicans (yeast) - 8 drops, in a glass of water or juice, 3 times a day, 15 minutes prior to meals, for 10-30 days. After this time, take 4 drops, 2 times a day for maintenance.

Parasites - 8 drops, in a glass of water or juice, 3 times a day, 15 minutes prior to meals, for 3-6 months. After this time, take it 2 times a day for maintenance.

Sore Throats - Gargle with 2-3 drops in a glass of water.

Gingivitis (gum disease) - 2 drops on toothbrush every morning until symptoms cease.

Herpes

Internally - 8 drops, in a glass of water, 3 times a day, 15 minutes prior to meals, for 30 days. After this time, take 2 times a day for maintenance.

Topically - Mix 5 drops with 1 oz of distilled water in a dropper bottle, apply on lesions.

Genital Herpes - Mix 4 drops in a bathtub to hip level with warm water soak for 15-20 minutes.

Athlete's Foot - Mix 10 drops per 8 oz of water. Spray on feet before bedtime.

Warts - Place 1 drop on wart and cover with a bandage after absorption.

Turista - 10 drops, in a glass of water or juice 1-3 times a day.

Drinking Water - 10 drops for each gallon of clear water. Agitate and let it rest for a minute.

Food Rinsing

For Fruits & Vegetables - Mix 7-8 drops per gallon of rinse water and soak your fruits and vegetables for 15 minutes. After soaking, rinse thoroughly.

For Fish, Poultry and Meat - Put 7-8 drops in an 8-oz spray bottle and spray the meat all over. Let it sit for 15 minutes and rinse thoroughly. Put 3-4 drops in ground beef mixture and let it sit for 15 minutes before cooking.

Pets - Put 1 drop in water dish to prevent and remove existing parasites.

All Purpose Cleaner - Put 20 drops in 1 liter of water or any cleaning product in atomizer. Can be used on any surface.
